We are super excited to have two of our tours identified on [Canada's Best Unique Bucket-List Travel Adventures on Forbes.com](#). Our High Arctic Explorer Cruise and Alberta Birds & Dinosaurs were both on the list. The [High Arctic Explorer Cruise](#) is a small-ship expedition cruise from Resolute Bay, Nunavut to Kangerlussuaq, Greenland in the height of the arctic summer. On this tour we cruise among icebergs at Ilulissat Icefjord, a UNESCO World Heritage Site, watch for marine mammals in Lancaster Sound Marine Protected Area and visit the Franklin Expedition graves at Beechy Island.

Our [Alberta Birds & Dinosaurs tour](#) features amazing landscapes, great birds, and one of the richest dinosaur fossil sites in the world! Highlights include a fine selection of prairie birds and mammals, in-depth exploration of the unique geologic and palaeontological history of the Alberta badlands, and visits to Dinosaur Provincial Park and the Royal Tyrrell Museum of Palaeontology.
