

Scotland Cruise Itinerary

[Link: Scotland Cruise](#)

Tour Overview

Sail into a world where ancient stones, living culture, and wild coastlines meet. This voyage carries you through Scotland and the Faroe Islands—places shaped by deep time, vibrant communities, and the rhythm of the North Atlantic.

Step into Neolithic circles older than Stonehenge, wander cliff-edge villages alive with seabirds, and explore sea caves, fjords, and remote islands where stories linger in every rock and ruin. Meet the locals who sustain these traditions, from crofting communities to modern island capitals alive with music, craft, and creativity.

Marvel at St. Kilda's soaring cliffs, the mystical standing stones of Lewis, the sculpted peaks of Skye, and the dramatic landscapes of the Faroes, where turf-roofed homes and tumbling waterfalls define a world apart. Visit sacred Iona, legendary Fingal's Cave, and historic sites that connect Scotland's past to its present.

From seabird colonies to sacred sites, from wild geology to warm island culture, this journey showcases the very best of Scotland and the Faroe Islands—an unforgettable blend of nature, history, and spirit.

Itinerary

Day 1: Aberdeen, Scotland

Many of Aberdeen's historic stone buildings are made of locally quarried granite; high in mica, they can sparkle like silver. The city is famed for its forty-five parks, gardens, and floral displays. In recent years, Aberdeen has become the gateway to the North Sea oil industry, but the city retains its old-world charm and is a wonderful place for a walkabout.

Day 2: Fair Isle

Journey to charming Fair Isle, once a Viking hub and now an idyllic island colony of artists and shepherds. Keep your binoculars handy to spot some of the 350 bird species that the island boasts, including puffins and great skuas in substantial numbers. Take a tour of the local museum, dedicated to preserving the island's heritage.

Day 3: Foula

Call in at sweet and petite Foula, home to just a few dozen folks, many of whom preserve traditional methods of agriculture and subsistence. Keep an eye out for the Arctic terns, red-throated divers, and great skuas that may be found here.

Day 4: Vágur, Suðuroy Island, Faroe Islands

Visit Vágur, where the warm hospitality of its 1,300 residents awaits you. Relish in the opportunity to witness Faroese chain dancing and share in stories of Vágur's captivating past. Enjoy the abundance of birdlife that the island boasts. Let your senses feast on the view of Suðuroy's towering west side. Admire majestic cliffs, stunning mountains, sea stacks, and the magnificent Beinisvørð mountain as it stands tall from afar. See for yourself why the island is famed for its dramatic cliffs towering over the North Atlantic and enjoy this paradise for birds, including European storm petrels and Atlantic puffins.

Day 5: Western Faroe Islands

Take in the drama of Vágur, one of the remote Western Islands, where soaring cliffs kiss the sea and emerald valleys cradle charming villages. This is a place of quiet wonder, where every path leads to a new story, and nature's raw beauty makes you humble.

Day 6: Orkney, Scotland

Wander through the 4,000-year-old standing stone circle, the Ring of Brodgar, a UNESCO World Heritage Site. Step back 5,000 years to the Neolithic village of Skara Brae. Considered one of the most important Neolithic ruins in Europe today, wander the well-preserved stone houses and learn what daily life was like here. Tour the Hall of Clestrain, childhood home of Arctic explorer John Rae. In Kirkwall, let yourself be charmed by the city's sights, dominated by the massive St. Magnus Cathedral dating back to 1137. Experience its lively pubs, vibrant music scene, fabulous shopping opportunities, and thriving artisan community.

Day 7: Stornoway, Lewis

Visit Stornoway on the Isle of Lewis, a Gaelic stronghold and the capital of the largest of the Hebrides. Browse colourful shops to purchase the island's famous tweed. Meander through one of Britain's most important Stone Age sites, the Calanais Standing Stones, which are said to be giants who were punished by St. Kieran for refusing to convert to Christianity. Experience the living history at Gearnann Blackhouse Village, where you can learn about a typical crofting township of the last century. Explore the blackhouses and traditional activities, including the weaving of the famous Harris Tweed. Discover Dun Carloway Broch, a uniquely Scottish site perched on a rocky mound. See this ancient structure, standing at an impressive nine metres tall.

Day 8: Outer Hebrides

Reach out-of-the-way, uninhabited islands that are only accessible by Zodiac during an expedition landing to the Outer Hebrides—a fantastic collection of over 100 islands seventy kilometres off Scotland's west coast. Take note of archaeological remains that reveal the oldest evidence of human habitation in Scotland, with influence from Pictish, Norse, and Scottish cultures. Search out the rich marine and bird life of the islands as conditions permit.

Day 9: St. Kilda

The St. Kilda archipelago was inhabited until 1930, and is now a UNESCO World Heritage Site, protecting fascinating ruins as well as natural heritage features. Seabirds thrive on the island of Hirta, which is also home to feral sheep left by the departing islanders. Enormous cliffs offer dramatic ocean views for our hikers!

Day 10: Isle of Skye

Whether you're a hiker, photographer, or birder, you will love a visit to Skye. Cruise the southwestern shore of this large island keeping a keen eye out for species like common sandpiper, oystercatcher, gannets, and razorbills. Delight in the opportunity to witness these remarkable creatures in their natural environment and add unique sightings to your birdwatching list. Immerse yourself in the beauty of Skye's mountainous landscapes and choose the level of activity that suits you best for a walk, hike, or trek among the awe-inspiring Cuillin Hills, one of Britain's finest mountainscapes.

Day 11: Iona and Staffa

Visit Iona, where St. Columba established his monastery—the burial place of kings. Admire the beautifully restored Iona Abbey complex, which preserves two outstanding crosses dating as far back as the eighth century. Take a Zodiac cruise at the Isle of Staffa, famed for basaltic formations and numerous caves, the best-known being Fingal's Cave. See for yourself why it is originally known in Gaelic as “the melodious cave” and provided the inspiration for Mendelssohn's overture, *The Hebrides*.

Day 12: Islay

Explore the renowned Loch Finlaggan Historic Site, tucked away in the enchanting Islay, also known as the Queen of the Hebrides. Immerse yourself in the rich history and heritage of the region. Indulge in the stories of Scottish nobility at the ancient seat of the Lord of the Isles and Clan Donald. Delve into its captivating past and marvel at the artefacts on display in the site's museum.

Day 13: Oban/Glasgow, Scotland

Nestled on the west coast, Oban is a striking seaside town surrounded by miles of dramatic shores and beautiful countryside. Here, we'll disembark and depart via coach to Glasgow.

What to Expect

Our small ship Scotland cruise program allows you to experience the best of the natural world, while enjoying the comforts of our friendly floating hotel. The ship generally makes crossing between islands at night, so every morning you awake to new vistas and discoveries. Every day we offer a combination of interesting shore excursions and fun shipboard activities. You can choose which elements of the program you want to participate in.

This is a general natural history and cultural expedition rather than a dedicated birding tour. Travellers can look forward to a mix of wildlife viewing, cultural experiences, and time to appreciate the region's incredible scenery — with opportunities for birding included along the way.

This expedition cruise necessitates passengers to be in reasonably good health. Zodiac cruises and transfer times can be lengthy. You must be able to climb stairs between decks on the ship, as well as the external gangway stairs to transfer between the zodiac and ship.

Some of our shore landings will be 'wet', requiring waterproof boots. Once you have left the zodiac, you'll find our shore excursions accommodate both those who wish to enjoy a gentle stroll and those who prefer more active hikes. The excursion may involve walking over uneven or sandy terrain in variable weather conditions. Our onboard specialists will join us on these shore excursions to provide interpretation and narration to these wonderful landscapes and experiences.

Each evening we will gather in the lounge to recount the day's events and share memorable stories. Our onboard musician will provide some lively entertainment during happy hour and the expedition leader will outline the following day's schedule. Our resource staff of naturalists, historians, and other guest speakers will give informative talks at various times throughout the voyage.

Meals in the ship's dining room are a great opportunity to meet new friends and recount the day's adventures. Special diets can be accommodated with advance notice. Safety is also a top priority with Eagle-Eye Tours - our team has extensive experience in the field, and all of our Voyages are run in conjunction with operators with the highest safety standards.

When the ship is underway, it is a wonderful time to join a naturalist on deck, take photos of the stunning scenery, or get caught up on some reading in the library.

Weather, ice, government regulations, and community requests may necessitate changes to the planned itineraries and/or the cancellation of certain shore excursions and enhancements. Published itineraries are examples only and we reserve the right to change or modify the itinerary and landing sites at any time prior or during an expedition. Changes will be communicated at your expedition

orientation or during your onboard expedition briefings.

We know that everyone travels for different reasons. Over the years, however, we have found one common element among the guest who choose to travel with us - a thirst of knowledge and authentic experience. Knowing this drives us to ensure the highest quality learning experience on our trips, by taking time to carefully design each trip we offer.

What's Included

Tour Price Includes

- Passage aboard the ship
- Applicable taxes and credit card fees
- Complimentary expedition jacket
- Special access permits, entry, and park fees
- Expert expedition team
- Guided activities
- Sightseeing and community visits
